

Expression of Interest

The Biosecurity Authority of Fiji (BAF) is a fully government owned Commercial Statutory Authority (CSA) established on 17 December, 2008 and governed under the Biosecurity Act 2008. It was formed following the reorganization of the Quarantine & Inspection Division (QID). BAF's role is to protect Fiji from pests and diseases that could threaten our animals, plants, communities and environment while at the same time, facilitating and accessing new trade markets for Fiji and developing existing ones.

BAF invites Expression of Interest from reputable and innovative consultants or consultancy firms to undertake consultancy in the following 3 projects

EOI AP0217: Corporate Planning Consultancy Services

BAF invites written EOI from eligible and reputable consultants or consultancy firm to undertake the HR Corporate Consultancy.

The consultancy is open to individual(s), an institution and consortiums. The HR Corporate Consultancy details and Terms of Reference can be obtained from the BAF Executive Office on email projects@baf.com.fj. Interested parties must meet the conditions and requirements stated in the Terms of Reference.

EOI AP0317: Animal Biosecurity Emergency Response Plan Consultancy Services

BAF invites eligible and reputable consultants or consultancy firm to undertake consultancy in developing Fiji's Animal Biosecurity National Emergency Response Plan.

The consultancy is open to individual(s), an institution and consortiums. The Fiji Animal Biosecurity National Emergency Response Plan and Terms of Reference can be obtained from the BAF Executive Office on email projects@baf.com.fj. Interested parties must meet the conditions and requirements stated in the Terms of Reference.

EOI AP0417: Plant Biosecurity Industry Response Plan Consultancy Services

BAF invites eligible and reputable consultants to express their interest to undertake consultancy in developing Fiji's Plant Biosecurity Industry Response Plan.

The consultancy is open to individual(s), an institution and consortiums. The Fiji Plant Biosecurity Industry Response Plan and Terms of Reference can be obtained from the Executive Office on email projects@baf.com.fj. Interested parties must meet the conditions and requirements stated in the Terms of Reference.

The applicants are encouraged to apply for Individual Industry within their area of expertise; however they are most welcome to apply for more than one industry.

How To Apply

Submissions should be properly labelled, sealed and forwarded to the address below:

**The Tender Board
Biosecurity Authority of Fiji
G. P. O. Box 18360 Suva**

Or

Email: projects@baf.com.fj

If consultants or consultancy firms are submitting for more than one project, the proposals are to be submitted separately and should be clearly marked. Expression of Interest must reach the above address by 28, February, 2017. Late or faxed submissions will **NOT** be considered

For further enquires, please email on: projects@baf.com.fj or phone 3312512.
